There was a great level of interest in both competitive intra and inter school opportunities. • Collingwood entered a range of football tournaments winning a regional league title in the girls UKS2. All chn in KSI took part in competitive festivals which were well received and feedback from chn was that they can't wait to do more of this going forwards. We have had 4 children represent North Tyneside in both athletics and football as a result of entering competitions. We will actively look to enter as many

<ul style="list-style-type: none"> Continuation of holiday clubs (Easter/Summer). 	<ul style="list-style-type: none"> £1750 (actual spend £1680) 	<ul style="list-style-type: none"> Healthy and active lifestyles promoted as well increased levels of commitment and perseverance. 	<p>competitive opportunities as possible.</p> <ul style="list-style-type: none"> Really successful Easter and Summer club provision once again. Increased participation numbers compared to academic year 22/23. Easter only Years 3-6 were involved but in the summer all chn were able to take part. Over 300 places were taken up over the 2 week summer offer. Feedback from both chn and adults was fantastic with everyone understanding the importance of such provision for our chn. This will continue in future holiday weeks.

Pupil voice is used to gain insight into what the chn would like to see. Very well resourced and the PE subject lead continues to look at external providers/extra-curricular opportunities for sports/activities that aren't currently offered, which could further enhance the profile of PE. Going forwards into 24/25 we will look to introduce a school wide sports week(s) where we will use external providers to introduce activities not delivered via our curriculum. The aim of which will be to broaden the experience of the chn and also provide parents with information regarding what is on offer in their local community. An increase in those obtaining the 25m expectation was seen this year (54%) compared to last year (48%).
