

LOOKED AFTER CARE PREVENTION

We work with whole families who are on a Child in Need or Child Protection Plan across the North East, with the aim of preventing children going into care unnecessarily.

We attend meetings with the family and other professionals on a regular basis to create a plan and increase understanding of the situation, in order to help implement and sustain the changes needed.

WE WORK TO SUPPORT FAMILIES WITH:

Parenting

Housing

Finance

Sustaining
changes

Referrals can be made through social workers and other services, or you can self-refer.
