Yamaha Music School <https://www.yamahanorthumberland.com/>

We were lucky enough to have Yamaha Music School in on Tuesday for a whole school assembly. It was absolutely amazing! They brought in lots of instruments like a drum kit, guitars and keyboard. The children listened to these being played and enjoyed thoroughly learning about music. Every child in Y1-Y6 received a letter to return if they wish to try out a free **first lesson** with them at their music school in North Shields. We hope children can take them up on this amazing offer and start to learn an instrument!

Here is what they said about our amazing children...

"It is our absolute pleasure. An absolutely great school and incredibly well behaved. We are aware that it is exciting and sometimes it's hard to stop children talking during our performances. This was not the case at your school, almost surprisingly so!

They really did you proud and we hope that many of them take up learning!"
