ease INTO

6 November 2025

Christmas is coming! The activities run by our providers will appear on the easeINTO booking system from 10am on Tuesday November 18th and will also be able to be found on our website ease INTO programme | North Tyneside Council from the same date. Staff at our local libraries are able to help you use the easeINTO booking system if needed.

The central offers which are not the day-to-day activities but the one-off activities such as the Panto/ Jump 360 and also the leisure passes will appear from Monday December 1st. Please read all the information provided BEFORE booking a slot. Panto tickets will not all appear in one go as we need to make sure one adult per family is included in the funded places. We have not always had the best attendance at the Panto so please only book a space if you know you and your child can attend on the day.

Unable to attend?

If you are unable to attend any event, please cancel your child's place as early as you can to enable a child on the waiting list to have a chance. If you are on the waiting list, you must check emails daily as the opportunity to book an

available space only lasts 24 hours. You won't be sent a link but the activity will reserve a space just for you, it won't be public.

Remember, any issues, please contact the providers directly.
