Welcome back to the Summer term

It has been an incredible two weeks back to school – so many successes already! We are all very much looking forward to this Summer term and the better weather which allows us to make full use of our fantastic outdoor space. Please remember to send your children to school with their water bottle.

A gentle reminder that the school meals has moved from 'Hutchison Appetite' to 'School Grid.' You should have received an email from Hutchisons/School Grid in the Easter holidays. Please click on the following link to order <https://app.schoolgrid.co.uk/>

Your login details will remain the same so you can continue to use your existing username and password.

Easter HAF @ Collingwood

Our Easter HAF was another huge success! The children thoroughly enjoyed themselves and were perfectly behaved. We will be running our Summer HAF and more information will follow in due course. For now, here is what our parents and carers thought about our Easter HAF!

- The staff are brilliant!
- The staff are fantastic and the club is so well run
- I have recommended it to a friend who also signed up and the kids loved it
- More arts and crafts type activities especially for the younger children to make things as it's always a sense of achievement when they make, draw or paint something themselves as well as improving their own skills
- My daughter has had the best week and has enjoyed each day! Thankyou!
- My child has really enjoyed their week!
- All great!
