Dear Parents and Carers,

I am writing to let you know that, following careful consideration, the school has decided to discontinue its use of X (formerly Twitter) with immediate effect.

This decision has been made for several reasons:

- We want to ensure that our communication channels remain safe, positive and appropriate for our school community.
- Increasingly, parents and carers are accessing school information through other platforms, making X a less effective way of sharing updates.
- We are focusing our efforts on communication methods that provide more reliable and accessible information for all families.

We would like to remind all parents and carers that our school website remains the central source of information about school life, including key dates, news, policies, letters and important announcements. We encourage you to visit the website regularly to stay up to date.

<https://www.collingwoodprimary.org.uk/>

We are also delighted to announce that our newly designed school newsletter will be launching this Friday 5th June. The refreshed format will provide an engaging way to celebrate pupils' achievements, share school news and keep families informed about upcoming events.

Thank you for your continued support. We look forward to keeping in touch with you through our website and newsletter.

Yours sincerely,

Mrs Grant

Headteacher
