### Year 1 to Year 5 ONLY

Dear Parents and Carers,

We are excited to trial **Seesaw** for families of children in Years 1 - 5 for the rest of the Summer Term! This digital platform allows us to share your child's learning journey, class activities, and curriculum through photos. We will also use it to send important announcements and reminders.

Additional information is attached on how to download the Seesaw app for new and existing users. In the coming days, you will receive an email invitation from school which will enable you to sign in and connect to your child's class.

Please note that standard GDPR requirements apply. Additionally, we will strictly respect your existing preferences; children who do not have permission for Twitter/social media photos will not have their photos shared on Seesaw.

Thank you for your continued support as we trial this new way of staying connected.

Warm regards,

Mrs Ramshaw

Deputy Headteacher
