23rd September 2026

Dear Parents and Carers,

We are writing to remind families of the importance of closely monitoring children's use of social media and online communication at home.

The law states that children's personal data must be protected, and as a result most social media platforms currently have a minimum age requirement of 13. Primary-aged children should not be accessing these platforms without appropriate supervision.

Online activity can have a significant impact on children's wellbeing, behaviour, and relationships in school and issues arising from online activity outside of school, including inappropriate messages, images, or disagreements, must not be brought into school.

We appreciate your continued support in helping us maintain a safe and respectful school community.

Yours sincerely,

Mrs Grant
Headteacher
