Health and Safety Updates at Collingwood Primary School

IMPORTANT: November 2026

Building work

Our school building work will be continuing this half term. Some of you may have noticed the scaffolding next to the Breakfast Club doors; these doors are still in use but please ensure your child is encouraged to keep away from the area and stay close to yourself.

Attendance texts for persistent absence

Just a reminder that if your child's attendance falls below 90%, you will receive a text regarding this on a Friday afternoon. This is now part of our whole school attendance policy to raise awareness of how valuable and vital each day in school is.

Dogs on the yard

For the safety and well-being of our school community, dogs are strictly prohibited from the primary school yard at all times, with the exception of registered assistance dogs.

E-scooters and bikes on the yard

To prevent accidents during busy drop-off and pick-up times, riding e-bikes, e-scooters, or bicycles anywhere on the school yard or through the staff car park is not permitted - all riders *must* dismount before entering the grounds.

Warm regards,

Mrs Grant

Headteacher
